BRINGING THE MESSAGE OF LIVING HOPE

Brittany Vajda-Favuzza is a US missionary evangelists currently serving in the nation of Argentina.

BRITTANY

Brittany grew up in Pennsylvania and attended a youth evangelistic Christian conference at thirteen. There, she heard the life-changing gospel, responded to the conviction and touch of the Holy Spirit, and received the Lord Jesus. Shortly after, God confirmed His powerful evangelistic calling on her life, and Brittany began living a radical sold-out life of obedience to the Lord Jesus. She began to function in her gift and calling from the Lord immediately. As a teenager, Brittany started to go to the streets to preach the gospel.

She finished a 4-year theology degree from North Point Bible College.

Brittany is known for her great love for people, Spirit-filled teachings and preaching, and a heart to equip and train the body of Christ in worship, prayer, and discipleship for the harvest. She is a fully ordained minister and missionary with the Assemblies of God and currently serves in Argentina with her husband.

As a teenager, God sovereignly gave her a heavenly encounter that would deposit a supernatural grace in singing that ushers people in the presence of the Lord. Many times when she sings at conferences, church revival services, or crusades, it releases a powerful anointing; an atmosphere of the tangible presence of the Lord often enters the room and stirs up faith and hunger for God and prepares the heart of the people to receive the gospel message.
